PROFILE

I am a fresh graduate, aspiring to establish myself as a Software Engineer, with a degree in Computer Science and Engineering. Equipped with strong communication and proficient problem-solving abilities, I am deeply driven and enthusiastic about furthering my knowledge and expertise in this domain. At this moment, I am actively seeking opportunities with esteemed organizations that value dedication and attention to detail.

EDUCATIONAL QUALIFICATIONS

BSc in Computer Science & Engineering,
Rajshahi University of Engineering and Technology
2018 – 2023 | Rajshahi

Coursework in

- Object-Oriented Programming
- Data structure
- Database Management System
- Algorithm
- Artificial Intelligence

HSC (Science), Adamjee Cantonment College
2017 | Dhaka Cantonment, Dhaka-1206
GPA 5.00

SSC (Science), Government Science College
2015 | Saidpur, Nilphamari
GPA 5.00 - General Scholarship

SKILLS

Programming Languages

C/C++
Python

App Development

Flutter

DBMS

MySQL

Technical Writing

Latex
